### MEMORANDUM

TO: Managers of our Adult Softball Leagues

FROM: Patrick Sullivan, League Director

RE: 2010 Banned bats

DATE: Thursday, February 24, 2011

Montgomery County Recreation Department wishes to inform all teams interested in the softball leagues they will be using the 52 core, 275 compression softballs. The women will continue to use the 44 core, 375 compression balls, whether playing Co-Rec or women's softball.

**New for 2011; Rule 3 Section 1H:** An ASA official bat's characteristics shall remain fixed at the time of manufacture and may not be altered in any way other than specifically provided for in (Rule 3 Section 1) or as specifically approved by the ASA. Approved bats shall be considered altered if they are rolled, shaved, repainted, weighted or modified to change their characteristics from that produced by the manufacturer. Identifying the bat by means of laser marking, engraving, or painting the name or number of the player will not make the bat an altered bat.

The 2011 banned bat list for the spring ball is limited to the following bats (this list may be modified in the spring as new bats come out):
